Images unwinding searching for the truth or better yet, a meaning for life. Looking all around you . . . perceiving what is new, taking a second glance at all that is old, trying to decipher what is new. Forming minds through ideas, through motion . . . Hoping for a chance to see what it is all about when all around you seem not to know. Watching hopeless rebellion because there is no sure destination. Wishing for a meaning yet wondering exactly why life can't simply be wonderful if one is without caring. Simply dream . . . gather life simply by living. Watch others find and lose their way. Watch them fall apart and pull together but not knowing why.

DOING THINGS
THEY LIKE TO DO

Images unwinding . . . doing things they like to do. Getting over hang-ups only to confront more. But isn't . . . isn't this what life really is? Think of the endless monotony of always knowing why. Meditate over the idea that everyone is the same. Without the individual searching, expressing in his own unique way, what would break the trance-like state of endless duplication of life.

Images unwinding, letting go for explanations through only, yes only, inadequate words . . . can they produce, inspire the proper interpretation? Finally, simply doing what you mean. Unwind . . . feel life, let others feel it too. Opening your own doors and letting others do it too.

Randy,

To a really terrific
guy and great friend. Remember
all the great times we have had
together. Prom night should be
a night to remember. I hope
you and Nettie always
remain happy. I hope you
get the very best out of life

I hope you keep up your
good work in baseball, I
hope to see you at the
Summer (with Nettie)!

CONFRONTING, OVERCOMING DAILY PROBLEMS

Images unwinding through interaction of motions, thoughts, actions, and deeds. Perceive all the beauty of things in motion... living... laughing... crying... and yes, loving. There is something to be said for all of these... Why? Emotions...

Images meeting unpleasurable tasks with pleasure. Becoming a thing of all things in association. Living each moment. The good and the bad... but living.

Randy-

It's been fun having a crazy person like you in chorus the past 2 years. You're a great guy with a wonderful personality, good luck in college and baseball. Without guys like you, our school would be nothing.

Love ya,
Dustin June '71

Randy -
Well, its over. All the frustration & agony (gosh-I make it sound like prison!) but it was worth it. We've shared a lot of good times together - some of em weren't too good - huh? I wish you much happiness & luck. Don't tear took up if ya can help it and if your ego - mania needs a little refresher course - guess where you can come! God bless, Rans, & keep in touch this summer -
= hope to see ya around
Love ya, Sharon

MAKING NEW ASSOCIATIONS

The image of the eye, it can, it does reflect...the happiness of everyday...depicting life, having nothing to say...but thinking thoughts valuable as your own...only your own.

What is the reason? Why images unwind...It is an individual thing though, isn't it? For you, for me. life is one...You chose, you take...and you mold a being whatever, you do it.

In the age of revolution, dissention, and the like, there is a thing of beauty. At least there is some living, some breathing after such a long stagnation in a sense. Images do unwind. They may begin it here. Through these corridors thoughts are given, accepted, and rejected...some persist and make a life different...

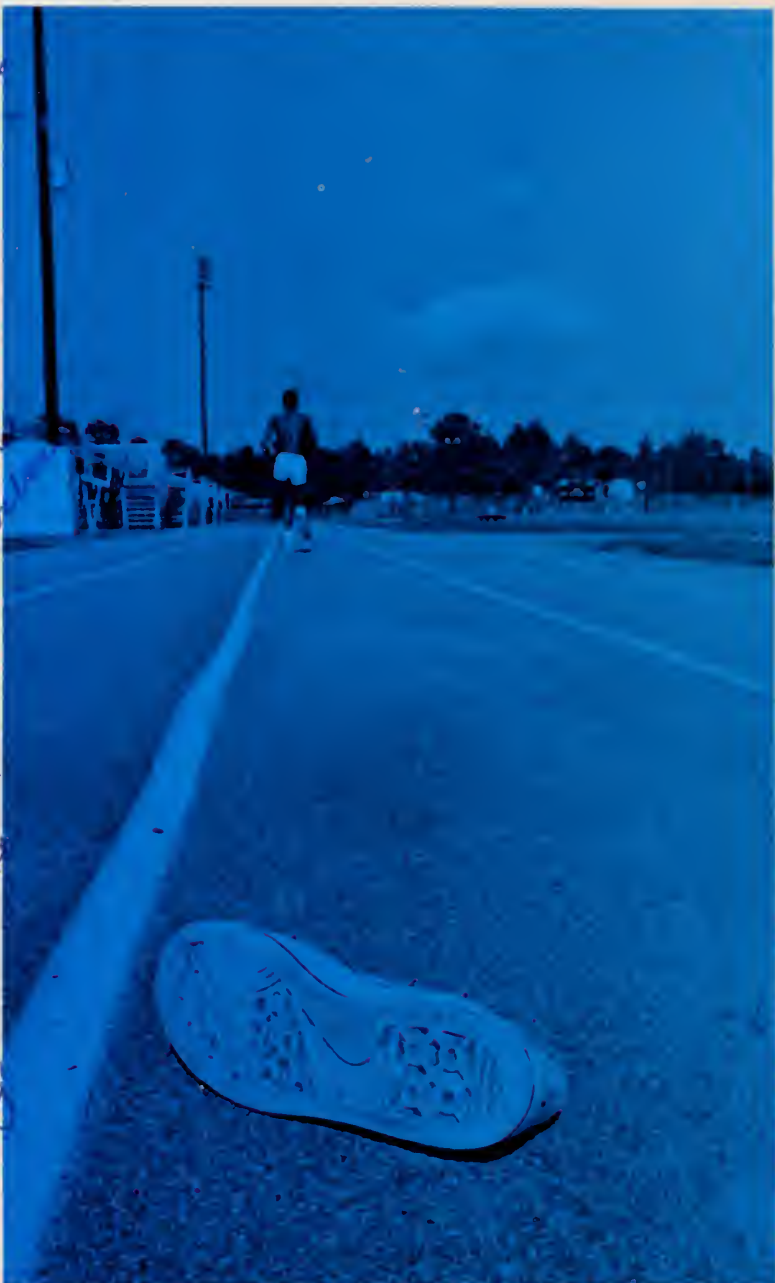

Randy,
 It's hard to
 say something
 appropriate to someone
 I've known so long. It's
 been many things - fun, difficult,
 wonderful, and a real ache - but
 all our experiences... and "friendly"
 discussions. You're such a great person -
 please don't waste your life in petty causes
 and situations. I want to see great things come
 from you - I feel confident that you will. You've
 been a true friend always. There's so many people I will
 miss - there will only be memories to go on - your
 will be one of the next after thought of. Thank
 you for helping make this an
 enjoyable year. Be true
 to yourself and live
 our - but remember
 that that moment
 belongs to
 everyone.

When one unwinds, displays him-
 self to others, he too, influences and
 makes his feelings felt. It is from these
 associations, I learn and you learn.

Now, we too have reached our
 "establishment." As a senior high
 school, we have finally reached a stage
 for beginning. The doors have been
 opened by a thriving number of indi-
 viduals over a period of four years.
 But then, it has been said that what is
 worth waiting for is worth much toil
 and time. Now, the ways are to be left
 for others to build, and when the
 courses of pursuit.

Keep in touch, be
 happy,
 cherish the
 years.

Good
 luck to a
 very deserving
 friend.
 Dad bless you.
 Love,
 Dyp

INTERACTION OF THOUGHTS

LIVING EACH MOMENT AS YOUR OWN

Images unwinding . . . in a maze of life. Looking at a road, deciding the proper pursuit. There are choices, unlimited for one reason or another. There are barriers but most can be broken. Endless decisions—we can, we do make mistakes but perhaps we can also emerge as wiser beings. The inevitable thought is simple—that one must try. We cannot remain in a suspended state of existence . . . we must live. There is meaning all around us though at times it seems unreal. There is a demanding generation . . . demand of life and gain . . . gain something, however insignificant it may seem. Look at life, don't just glance, decipher the maze and play your part . . . do it with perseverance—or—don't bother to do it at all. There remains the choice.

SIMPLY DOING WHAT YOU MEAN

There is no dedication as such to any one individual in this school. By doing so, perhaps a strong sense of our thought would become meaningless. But, this Image is for all those people who are striving, learning, interacting, just feeling life. To all Images Unwinding, we wish there might simply be a thought, a reflection to add meaning to an already meaningful individual.

We have reached now, a point where our efforts prove either worthy or vain. The Images, at last, can truly unwind and experiences can yield.

IMAGES UNWINDING . . . GIVING WORDS OF WISDOM, EXPERIENCE AND TRUTH. THESE IDEAS SOME ORIGINAL, SOME A PRODUCT OF LEARNING. NONETHELESS THERE IS COMMUNICATION, SOME TAKEN AND REFLECTED UPON -- OTHERS SIMPLY A PASSING OF WORDS. HE WHO TEACHES MUST ALSO LEARN. IT IS, AFTER ALL, A TWO WAY THING. THOUGHTS INTER-MINGLE, SOME TOSSED AWAY AS NOTHINGNESS, OTHERS TAKEN IN A MOMENT OF TRUTH. THERE IS A PLACE FOR BECOMING AWARE . . . HOW MUCH OF IT IS VALUABLE, ONLY TIME WILL TELL. HELPING IS A KEYWORD TO UNDERSTANDING, IS IT NOT? BEING OBJECTIVE AT TIMES, SUBJECTIVE AT OTHERS, BUT MAINLY BEING . . . PEOPLE QUESTION THE REASON FOR LISTENING, OTHERS COMPLAIN FOR NOT BEING LISTENED TO. SOME IDEAS SEEM INNATE TO THE MINDS OF YOUNG AND OLD -- IMPOSSIBLE TO CHALLENGE, BUT BEING CHALLENGED AT EVERY TURN. IMAGES UNWINDING, GIVING OF THEMSELVES FOR WHATEVER IS TO BE OF USE. MUCH OF IT IS FUTILE, BUT OUT OF IT ALL AT LEAST THERE IS A EFFORT TO GET AT THE MEANINGFUL TRUTH. THE WORDS OF ROBERT FROST, THE REASONING OF EINSTEIN, THE LOGIC OF EUCLID, THE EXPLANATION OF GALBRAITH, THE WISDOM OF GIBRAN. HOW CAN ONE BE VOID OF SUCH LIVING AND EXPERIENCE?

BRICKELL UPDATES SYSTEM

Mr. E.E. Brickell has been the Superintendent of Schools for two years. In this time he has changed many of the policies of the Virginia Beach school system. Among the changes was the move from the 7-5 school system to a 7-2-3 system. Since this innovation Kempsville High includes only tenth, eleventh, and twelfth grades.

Even though he is burdened with many responsibilities, Mr. Brickell takes time to visit schools in the area. On three occasions this year he was a guest at our school. At Open House, he delivered an address to the staff, and to the parents of Kempsville High School students. He attended the Christmas breakfast which is given annually for the school board officials and the administration and faculty of the school. As an honored guest at the Football Banquet, he awarded the trophy to the most valuable player of the year.

MORRIS ACTIVE IN SCHOOL FUNCTIONS

N.W. Morris—Principal

Our sporty chief

Mr. N.W. Morris has led Kempsville High School through another busy, eventful year. He has spent many busy hours trying to make our school the best in the area. New and complex responsibilities face Mr. Morris daily in his administrative position, yet he always finds time to devote to the students.

ADMINISTRATORS MAINTAIN ORDER

This year Kempsville had three assistant principals. The tasks of these men were varied according to their responsibilities. Yet, during the course of a regular day, many unforeseen problems arise which must be faced by them.

Mr. Atkinson is the Assistant Principal in charge of Academic Instruction. It is he who supervises teachers and plans the curriculum for the school.

Mr. Shields is the Assistant Principal in Charge of Discipline. As his title suggests, his main duty is to cope with the inevitable disciplinary problems.

Mr. Spence is interning as an assistant principal. He came to us from the University of Virginia Graduate School.

SECRETARIES ASSIST STAFF

Every successful organization must have its people behind the scenes. At K.H.S. these people could be considered the ladies who do the office work in school.

Each of the secretaries has a number of specific responsibilities. There are four secretaries in our school, and they are kept busy throughout the day.

Mrs. Maddux

Mrs. Houchins

Mrs. Yancey

COUNSELORS ASSIST STUDENTS

Five counselors are employed at Kempsville High School. They assist students in choosing courses and making sure they are aware of the entire curriculum. In addition to this, the counselors advise students in college planning. Scores on various tests are interpreted by the counselors.

Our first graduating class will be the reason for many discussions and hours of making endless decisions.

NEBRASKA CURRICULUM ADDED TO SYSTEM

The English Department made its first attempt to graduate the Seniors of Kempsville High School this year. Another first for the teachers of superior English was to incorporate into its workings, the Nebraska Curriculum.

The Shakespearian Theatre Company from New York presented two plays, *Macbeth* and *School for Wives* at Princess Anne High School this year. It was through the joint effort of the English teachers of Virginia Beach that this group appeared.

COURSES DEVELOP SKILLS

Mrs. Partin

Mrs. Frazier

The KHS art department is an active one. The purpose is to develop the artistic skills of the students. Throughout the year, they furnish the school with many imaginative displays.

The Home Economics department is responsible for the teaching of many skills involved with the home. Child care and development, decorating, marketing, cooking, and sewing are only a few of the many subjects considered.

The industrial arts department is the source of much learning. Experimentation was encouraged in the expectation that students would make discoveries to guide them to a greater understanding of structure and design. The department includes drafting, electronics, woods, arts and crafts, and metals.

The teachers and students work very closely to develop individual capabilities in special education. Although these students had their own classrooms, they could choose electives such as shop, art, physical education, chorus, and band.

TEACHES MOLD TALENTS

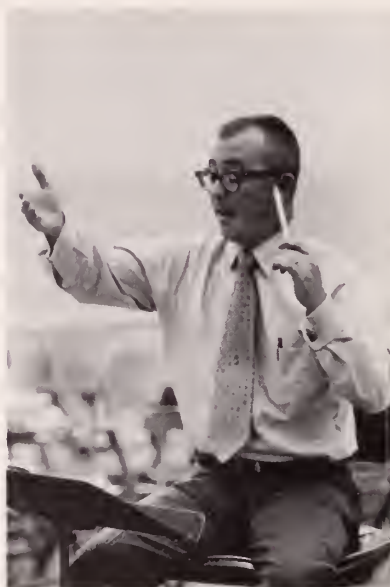

The sounds of the Kempsville High School music department echo through the halls daily as many students practice diligently.

The band and chorus set the mood for holidays and assemblies by performing music in keeping with the season.

The physical education department decreased in size this year since we became a senior high school. All tenth graders are required to take P.E. which consists of a classroom study of health as well as instruction in physical activity. Elective courses in P.E. may be taken by eleventh and twelfth grades.

Classroom instruction in the principles of distributing and marketing is offered by the distributive education department. Application of the principles is seen through student participation in jobs overseen by the teachers.

STAFFS GIVE SERVICE TO SCHOOL

Mr. Crouch at work.

The cafeteria staff, under the supervision of Mrs. Carithers, faced a tremendous task everyday of this year. Planning, preparing, and serving meals for approximately fifteen hundred people, is the job invested in these faithful workers.

Mr. Crouch is in charge of the custodial staff of our school. It is they who try to keep the building clean and in repair throughout the year.

Mrs. Carithers plans meals around the budget.

IMAGES UNWINDING IN JOINT EFFORTS OF ACCOMPLISHMENT OR JUST PLAIN FUN. IT TAKES A RATHER UNIQUE ONE TO SIMPLY STAND AND WATCH WITHOUT BEING DRAWN INTO THE GROUP OF PARTICIPANTS. YET, THERE MUST BE THOSE WHO DO AND THOSE WHO DON'T. ALL THROUGH LIFE THERE ARE THINGS TO JOIN, PEOPLE TO MEET, PLACES TO SEE. BUT, THERE TOO IS A DECISION INVOLVED... TO ACT OR JUST BE. PEOPLE UNITE EVERYWHERE, FOR EVERYTHING... BUT MOSTLY A FEW TO A RATHER PERSONAL CAUSE. THERE IS UNITY FOR SERVICE, UNITY FOR PEACE... UNITY FOR DESERTION, UNITY FOR JUST UNITY. IT IS SOMETHING THOUGH THAT IS A PERSONAL THING... ISN'T IT? IT IS WHAT YOU MAKE IT. THERE'S A MEANING FOR YOU, FOR ME, AND THEN, FOR THE OTHER GUY. IS THIS THE FEELING THAT MAKES IT? ACTIVE PEOPLE... STUDENTS INVOLVED... FEELING, MEETING TOGETHER, BECOMING AN INDIVIDUAL IN ORDER TO BECOMING A NECESSARY PART TO A WHOLE.

One of the most desired honors at Kempsville High School is that of Miss Image. This position has become a tradition at K.H.S. For three years she has been elected by the student body. Candidates are student nominated, then voted on by the school. This year there were eight candidates selected to run for Miss Image.

The criteria for Miss Image is five-fold. She must possess the following qualities: school spirit, citizenship, good personality, good academic standing and, good appearance. The choice was a difficult one with these outstanding girls. The candidates were Monica Adcock, Debbie Bowman, Cindy Domme, Barbara Garrison, Cindy Johnson, Melinda Jones, Dottie Kirby, and Dyann Lilley. From these candidates, Barbara Garrison was elected Miss Image 1970. She was crowned during the Cox-Kempsville football game. It was a memorable night for Miss Image and her court.

GIRLS DOMINATE S.C.A.

President—Jenny Meredith

Secretary—Linda Lane

Vice-President—Debbie Bowman

Treasurer—Peggy Heath

Historian—Judy Hughes

The Student Co-operative Association serves as a limiting factor on "The Establishment" at K.H.S. It serves as a means of self government within the school. The success of this organization depends upon the individual.

Under the leadership of Jenny Meredith, president, and Mrs. West, sponsor, the S.C.A. has completed a number of projects this year. The most unique is perhaps the acquisition and raising of the marquis for school announcements.

Chaplain—Kathi Buscher

The interaction between S.C.A. officers and the student body is dependent upon the representatives. This year the S.C.A. has re-vamped the representative program. There is one member assigned to each homeroom. The thought behind the new method of communication is that a selective group of people can serve as the medium between S.C.A. and student body more effectively.

1. Sandra Morris, 2. Jenny Meridith, 3. Kay Halsey,
4. Chris Bram, 5. Monica Adcock, 6. Gilbert O.Neal,
7. Lester Thomas, 8. Mike Olsen, 11.

For the first time at Kempsville High, representatives of the senior class were selected to attend Boys and Girls State. The faculty made this selection based on the scholastic, civic, and leadership qualities of the student.

For one week during the summer, June 15-21, the girls went to Radford College and the boys to Willaim and Mary. The colleges are set up as state government with dorms as cities. Representatives learned about Virginia government in both the local and state level. A two-party system of Federalists and Nationalists was enacted by the students as they occupied offices in the legislative, executive, or judicial departments of the state.

Jenny Meredith was elected Senator of her city and Monica Adcock was elected Mayor. Monica also won the Outstanding Citizenship Award for her city.

Special thanks should go to the American Legion and it's Women's Auxiliary for sponsoring Girls' and Boys' State.

The yearbook staff is one of service to the school. The club is sponsored by Miss Dilday and Miss Pleasants. It has been the goal of the staff to provide an accurate reflection on the life and makings of Kempsville High School. Through pictures and accounts, the organization of this school is portrayed.

The task is an unending one if it accurately reveals the happenings of the school. It has been and is the hope of the staff that the Image will provide a lasting picture of 1970.

THESPIANS IN FULL SWING

The national honorary drama organization led by Mrs. West has been in full swing for 1970. The membership was extended to those who have been in a play and received a number of points for involvements in the theater. These students were willing to devote time and talent to the drama at Kempsville High School.

One of the student productions was *What Did We Do Wrong* and there will be two more in the Spring. There was experience gained on the stage as well as behind the scenes.

Membership in the club is a coveted achievement for the drama student.

Both drama organizations are responsible for the Shakespeare Festival for the area which has been held at Kempsville for two years. Also, for the first time, the Junior High School forensic contest was held at Kempsville. This was a first for the entire area.

The Industrial Arts program at KHS is outstanding. Students and instructors work together to build many products. The program consists of drafting, arts and crafts, electronics, and electricity. Through application of skills under supervision and individual creativity, a great deal is accomplished in this department.

Art is a mirror of our times. The students try to express their feelings in their work. Through expression in art these students are developing a character unique as their own. The work that is displayed around our school and in many shows is just an example of the great work that they do.

The Future Business Leaders of America are now in their second year at Kempsville. The club is under the supervision of Mrs. Carol Estes, who was a sponsor last year, and Miss Helen Estes. The purpose of the FBLA is to further educational progress in the business world. Students taking any business courses are eligible for the club.

One of the projects of the year was to help a poor family. Also they sponsor a tea for the teachers before the Christmas holidays.

LIBRARY HELPERS WORK IN QUIET

Library assistants were chosen to help keep the library in efficient order. One of the first jobs to be done is that of checking students into the library. They also assist in other tasks such as shelving books, replacing book covers, filing cards, checking books out, and having the daily newspaper and weekly editions of magazines in the library on time.

The three librarians work very closely with the library helpers to cultivate a good library with a large variety of books.

The coaches at Kempsville High School work to build winning teams, but more important, they strive for sportsmanship, character and individual achievement for the young men and women they train.

Headed by Tracy Moon, they show a great amount of versatility, in that they usually contribute their knowledge to more than one sport. The Chief's Varsity Football team is under the leadership of Tracy Moon, with Ray Barlow, Steve Parker, and Jay McDuffie as assistant coaches. Mr. Barlow heads Varsity Baseball, Mr. Parker, Varsity Basketball, and Mr. Armand Taylor heads Varsity Wrestling. KHS's Spring, Cross Country, and Indoor Track teams are under the direction of Don DeSarro and Jack Weller, with Mr. Weller doubling as Boys Gymnastics coach. Miss Dale Compton, the only woman coaching at KHS is in charge of both Hockey and Girls Gymnastics. Mr. Bob Braun coaches our golf teams.

Just as important are the Junior Varsity coaches which include: Bill Roughton, football and basketball, Jay McDuffie, wrestling, and Lou Sawyer, baseball and football.

The 1969-70 Varsity Football team consisted of approximately 41 boys, ranging from the sophomore to senior levels. On August 15, their rugged and tiring weeks of summer practice began and were usually held twice a day. In burning temperatures they worked together to create a team soon to be ready for Eastern District competition.

The entire student body was enthusiastic on the day of our first game, played against Lake Taylor at Foreman Field. Although defeated that day on the scoreboard, the Chiefs were not defeated in spirit for they made Kempsville's first home game of the season a memorable one by romping Norfolk Catholic 33 to 0. The most exciting game of the season came on October 24, when we played our biggest rival, Princess Anne High School.

The mighty Chiefs displayed their playing abilities as they upset P.A.'s homecoming 12 to 6. The Cox game was close and KHS was defeated, but by only 2 points. The Chiefs finished the season with a 38 to 6 victory over Bayside.

Five seniors and one junior, were chosen as the most outstanding players of the team. Frank Ratliff, a senior and center on the team, re-

ceived the sportsmanship award. This award is given to a member who displays the most sportsman-like conduct toward the team, opponents, and to the game. Defensive end, Jimmy Webb, earned the title of most outstanding defensive lineman and linebacker, David Storey, a junior, won the honor of most outstanding defensive back.

The Kempsville High School basketball team entered the 69-70 season with high hopes of a winning season, but due to injuries to key personnel, the Chiefs suffered a very disappointing one.

The Chiefs did appear as though they were on their way to a winning season after their 85-71 romp over the Norfolk Catholic Crusaders. Ronell Nichols led the Chiefs in scoring with his career high of 26 points. But again injuries slowed the Chiefs down. They entered their Christmas break with a 2-4 record.

In January, Eastern District competition began as the Chiefs faced the powerful Booker T. They played admirably, but went down to the hands of defeat. The game that seemed to break the Chiefs' spirit was their surprising loss to Bayside. Victory was finally seen when we played Lake Taylor. In overtime the Titians were defeated as Randy Waid's foul shooting provided the difference in the game.

The 1970 Wrestling team entered the new season with spirit and determination to win. Their hopes were not faltered as they defeated Western Branch 35-11 at their first match. They went on for two more victories over Norview and Kellam before they reached their first defeat by Cox High School. The Chiefs were not discouraged for they came back to beat Norfolk Academy, only to be beaten again themselves in their next match against Granby. Still the boys' spirit was not taken, the Chiefs defeated every team they matched for the rest of the season, making them third in Eastern District.

FIRST VARSITY BASEBALL TEAM

The 1968-69 Baseball team at Kempsville High School opened it's first varsity season with a 6-1-7 record. Playing experienced and successful teams, the Chiefs made a good showing against their competitors. The first game of the year brought KHS a 6-4 victory over First Colonial, then they went on to tie Princess Anne 4-4. The Chiefs defeated Cox High School twice and also proclaimed victories over Norview and Booker T. Washington.

Under the strong leadership of Coach Ray Barlow, the boys developed their abilities to form a skillful and ambitious team. The entire group worked together with constant practice and all exemplified their compatibility to play effectively at our games. Randy Waid played hard and well enough to earn himself the honor of most outstanding pitcher and shortstop, Phil Grochmal, gained the deserved title of most outstanding fielder. Catcher, Steve Poff, proved to be the most outstanding hitter of the team.

Coached by Mr. Braun, the golf team finished the Eastern District season with an outstanding record of 9-1. The team placed third in the city tournament and second in the Eastern District tournament. Such skill enabled them to take first place in the Eastern Regional Tournament. Upon placing first in the region they went on to represent Kempsville in State competition. Their efforts placed the team second in the state.

The boys finished with Rick Smith leading with an average of 73 and Mark Hill followed with a 75 average. Tim Saunders and Robert Woods ended the season with a 77 average.

They have prepared for this future through constant practice and competition with other junior varsity teams in the area. Strong spirit and fine competitive attitude were apparent as the team, coached by Mr. Sawyer, gained valuable advice and experience needed to become a successful varsity member. PREPARE FOR FUTURE

The Junior Varsity Wrestling Team at KHS is in reality a second string team to the varsity. Even though they compete against other area high school JV teams, their main objective is to gain experience and knowledge about the sport, so that it may be applied in future years. This year the team had a winning season with Evan Pitts, Bill Miller, and Arthur Hymons as its outstanding members. The boys are under the direction of Coach Jay McDuffie, with Jack Revell as manager.

TRAINS FOR FUTURE

The 1969 J.V. Golf team consisted of four boys. Although they did compete against some schools, their main purpose was training for the future of participating on the varsity team. These boys were selected as future varsity material and work with constant practice towards this goal. Leigh Taylor was the top contender as varsity material. The boys also assisted the varsity players as caddies during tournaments. Bob Braun worked with them as their coach.

OUTSTANDING SENIORS ARE LEADERS . . .

There are many firsts at Kempsville High this year. Among these, perhaps the most significant honor is that of the Outstanding Senior.

Ten seniors were selected this year. These students, it is felt, have given a great deal of themselves to K.H.S. Through four years of high school, they have supported their school and class. Some of these students excelled in sports, in activities, academics, or all three. Their names are often heard through the halls echoing expressions of jobs well done. People such as these keep a school alive. By these few, a vote of respect and thanks was earned. They were outstanding in their dedication to the class of '70.

A PLACE FOR UNWINDING? CERTAINLY SELLING
THOUGHTS AND PRODUCTS, PASSING BY THE
INEVITABLE DAY OF SELLS. MEETING THE LAWS
OF SUPPLY AND DEMAND. ENDLESS DECISIONS
- WHETHER TO BUY OR SELL, BARGAIN OR
GIVE, ENOUGH OR NOT ENOUGH. THERE IS A
PLACE FOR SMILING WHEN MAYBE THE FEEL-
ING IS A FROWN. BUT THE WORDS ARE, THE
CUSTOMER IS RIGHT. IS THERE EVEN ANY
QUESTION IN THE MIND OF BUYER OR SELLER?
MAKING THINGS-UGLY OR BEAUTIFUL, DESIRA-
BLE TO SOME. FILLING ORDERS FOR SO MANY
INDIVIDUAL WANTS AND DESIRES. BREAKING
NEW IDEAS IN FOR THE PUBLIC, RENEWING
THOUGHTS OF THE OLD. ALL THIS AND
PUBLIC RELATIONS - TOGETHER TO SUPPLY

Well, Landy
 this is it. I wish
 there is so
 much that I
 feel needs to
 be said between
 us but don't
 worry by this
 is "the time" or
 the place. Some
 you I think my
 time & my place
 isn't already
 gone by. At
 times things
 have been
 really dicky
 between us,
 maybe no one
 person is to
 be blamed
 totally for
 them but I
 sure that I

can take credit for the majority of it. For that I
 can only say I'm sorry & hope I pray you realize
 how sorry I am. I wish you have added so much
 to not only this year but to also my life.
 You're one great guy in every way and I

ADVERTISEMENTS

Thank you for letting me share in a small part of
 the year with you. Always remember me & take
 good care. Come see me lots & lots this summer.

Love
 Gail Crunk

Randy, can
 what to somebody
 I say to somebody
 I've known for 5 years?
 you're a real great guy (a
 little cocky maybe) but that's
 how everybody loves ya. Remember
 all our touch football games + all the
 dumb stuff we used to do. Have lots of fun
 in college, but work hard at the same time.
 I know I'll be the first one to see ya when ya
 come back (wonder why?) Be sure to come over + see
 me when ya do. Be good, & be careful-
 Take care of yourself-
 Love ya,
 Chris
 '72
 P.S. Good luck with
 Lottie- if met
 Jimmy can make it -
 50 can ya'll!

Well, it's been fun in Mrs. Whitehurst's 14. class with the all-around great athletic of Kemperville's first graduating class. Remember all those neat discussions and on-the-spot tests. Good Luck at Tech next year. I know you'll do great in everything. Be good & Have Fun! Love ya, Allie Williams -70

Images unwinding...looking freely all around...feeling freer than the ocean looking wildly at the sea...gaining knowledge through a teacher, through a friend but perhaps more valuable from experience and self-understanding...running 'round in circles with heads in a frenzy not bothering to decipher some moments or ways...simply unwinding with and without meaning but always with a feeling...tossing and turning not just words and thoughts but action...daily growing to a weakening or strengthening degree...throwing out some inhibitions...maybe just trading for some more...but never without a change...looking at a sunset, gazing at the moon, taking that second glance at things really so seldom seen...there are ways...within reason...to be free...for that moment's freedom give whatever need be...taste the freshness of the morning...feel the freedom of your ways...catch that scent of burning cedars...see the wonder of creation...hear the gentle beating of the rain...simply live and find your meaning for a life that is your own.

Randy,
It's been
nice knowing
you & his team. You
have the ability to cut it
down everybody. Randy, they
don't get real. They're not on
great summer. Keep up the great
pitching. Lots of luck. Love ya,
Gerry

Randy,
It's really been
great knowing you these
past couple years. I'll always
remember the fun we had in
Spanish class and whenever I was
with you I always had a good time.
It won't be same at Kemptville next
year without you. You've got a great
personality and you're good at almost
everything you do so best of luck and
come see me some time on your visits
home from college. Hey, maybe by then they
might even take your braces off. You've
really done a lot for KHS and we're sure
gonna miss you next year. Have a good
summer and be good.

Love ya,
Gerry

Randy,

Well time has come for me to sign your annual. I could tell you how much you mean to me, and how you are really a great guy, but of course you already know what I think of you.

This year has come to an end, but it really has been a lot different from all the other ones. This year has really been a very special one, especially toward the end. I have had the greatest times of my life with you. Being with you has really brighten my thoughts and ideas.

I want to thank-you so much for putting up with my faults. I'm not saying I didn't have to put up with a few of yours. I think back to some of the arguments we had and some of them do sound dumb. I must admit you will always be that "extra special guy" in my life, no matter what happens I will always carry a "special feeling" in my heart. I hope this summer will be just as great as the last three months, and many more to go.

Just remember I love you very much now and hope to always do.

With all my love,

Lottie

Randy,
I really can't begin
to tell you how much I
enjoyed knowing you and working
with you in Chorus these past few
years. We've had some mighty good times
times with Mrs. Sawyer, and I honestly think
the two of us are the biggest "lame" in 4th class.
Have a great summer and I hope to see you before you
go to college. I know you'll do well there, but
best wishes anyway. Be good (some) and have a ball!

See Ya!

Randy, I
nearly don't know what
to say to you! My year we
got pretty close, but then
we began to get further away.
I could sit here and write about
how you are in sports of all kinds,
and then tell you how smart you are,
but you already know this, and millions
before me have probably already told you, too, that
right now you have everything in this world that
you could ever possibly want, but if there ever comes
a time when you need someone or something I hope you
find it, or someone to help you find what you want in life.
I really did love getting to know you, and you know this year, and
world of you. the fun times we've had together I think the
f.5. Come see me this summer!

Love ya,
Marge

Randy,

It seems there's so much to say about this year,
but I just can't find the words. I have enjoyed having
you in Soc. and Eng. and especially enjoyed all the
arguments you started! I know that you will be
a success in whatever you do in life (work, marriage,
play). I wish that your baseball team could have
won state, because you're really cheered it!

Love ya.
